# CBL 410 PCC black

## CBL 410 PCC white

The AKG CBL410PCC is a simple to use, plug and play desktop microphone for use with any PC or Laptop. It improves audio incredibly when making a conference via VOIP. The microphone reproduces the voice with a clear and natural sound.

It's ability to be cascaded, makes the CBL410PCC the perfect tool for modern communication for both, a single persons use in his office and/or a multi person use in a modern meeting room.
