DESCRIPTION

The SRX910LA VT CVR is a heavy duty soft cover designed to work with the SRX910LA vertical transporter. The cover is sized to cover four enclosures and includes two industrial-rated zippers for easy and reliable deployment. The cover includes input panel flaps, allowing the SRX enclosures to be tested without removing the cover. The front section panels are internally reinforced for maximum protection of the speaker grilles. When not used, the SRX910LA VT CVR folds into a compact footprint for storage.
